Disclaimer

An Offer Document for the Sundaram Multi Asset Fund ("Fund") may be obtained from the Manager or any of its appointed distributors. **Investors should read the Offer Document (i.e. the Information Memorandum) before deciding whether to subscribe for or purchase units in the Fund ("Units").** All applications for Units must be made on application forms accompanying the Offer Document or otherwise as described in the Offer Document.

Past performance of the Fund or the Manager and any prediction, projection or forecast on the economy or markets are not necessarily indicative of the future or likely performance of the Fund or the Manager. Any extraordinary performance may be due to exceptional circumstances which may not be sustainable. The value of Units and any income from the Fund may fall or rise.

The above information is **strictly for general information only and must not be construed as an offer or solicitation to deal in Units**, nor a recommendation to invest in any company mentioned herein. The Manager reserves the right to make any amendments to the information at any time, without notice. Performance data and analytics provided above are as of the stated dates.

Investments in unit trusts are not obligations of, deposits in, or guaranteed or insured by Sundaram Asset Management Singapore, or any affiliates or distributors. **The Fund may use or invest in financial derivative instruments and you should be aware of the risks associated with investments in financial derivative instruments which are described in the Fund's Offer Document.** An investment in unit trusts is subject to investment risks and foreign exchange risks, including the possible loss of the principal amount invested.

Investors may wish to seek advice from a financial adviser before making a commitment to invest in Units. In the event an investor chooses not to seek advice from a financial adviser, the investor should consider carefully whether the Fund is suitable for his/her investment.
